PERMIT INFORMATION

PERMITTEE NAME:	ANDALEX Resources, Centennial Project Mines
MAILING ADDRESS	P.O. Box 902 Price, UT 84501
TELEPHONE NUMBER:	(435) 637-5385
FACILITY LOCATION:	Eight miles northeast of Price, UT on Airport Road
UPDES PERMIT NO.:	UT0025674

BACKGROUND

The Centennial Project is presently covered by UPDES General Permit No. UTG040008. Therefore, ANDALEX has applied to the State of Utah, Division of Water Quality to obtain an individual UPDES permit.

The deadline to receive comments is by close of business on November 27, 2006. A public hearing may be held if written requests are received that demonstrate significant public interest and substantive issues exist to warrant holding a hearing. After considering public comment the Utah Water Quality Board may execute the permit or revise it.
